# Important Equine Health Information

To ensure overall and well-being of all horses entering and leaving JbarJ ranch, the following three documents must accompany every horse. We are counting on everyone's cooperation with the protocols we are putting in place.

This policy will begin on July 16, 2022 and remain throughout the two weeks of the Oregon High Desert Classics.

1. A Statement of Health consisting of either an Interstate Health Certificate or CVI (Certificate of Veterinary Inspection - found below)
2. A valid Coggins Certificate is encouraged, but not required for horse show entry.
3. USEF Declaration of Health signed by owner/trainer indicating no fevers or disease within horse(s) in past 72 hours

**Forms will be collected as a hard copy by office staff to be kept on record.**

All horses while on the show grounds are expected to have their temperatures taken and recorded on a daily basis during while stabled at JbarJ ranch. Please keep temperature log of all horse and have available upon request. We ask that any horse with a rectal temperature above 102 be reported to the show veterinarian and/or show management. The show veterinarian will examine any horses with an elevated temperature or other signs of illness prior to being allowed to show. Any horse identified to have or is suspected of having a contagious disease will be removed to isolation area and/or removed from show grounds. Please avoid any direct or indirect contact between horses, in particular nose to nose contact and use of any common feed/drinking buckets. The early detection of any contagious disease is the key to prevention of a disease outbreak. Please be good horsemen and horsewomen.. We appreciate your cooperation and look forward to everyone having a successful horse show experience.
